

AND THE MCHENRY COUNTY CURRICULUM COUNCIL PRESENT:

**DEBBIE DILLER**

APRIL 18, 2012  
CRYSTAL LAKE COUNTRY CLUB  
8:00 a.m. TO 3:00 p.m.

## Math Workstations and the COMMON CORE: Independent Learning on which You Can Count K-5

In conjunction with her new book on Math Work Stations, Debbie will help teachers learn to set up and teach with math work stations that connect to whole group and small group instruction and tie to state and NCTM standards. Included will be practical suggestions for establishing, managing, and using math work stations in K-5. She will also help teachers learn how to organize their math materials so they can use hands-on methods (with all those manipulatives) more effectively! An emphasis on academic vocabulary and increasing students' "math talk" is included.
