Ms. Mary Pat Larocca, often a featured speaker at the Annual IL ASCD Kindergarten Conference, will present a one-day workshop for Kindergarten and PreKindergarten teachers.

Words from Mary Pat.....

“Bookin’ It” Through the Year!

I KNOW how valuable your summer days are and I promise to make this day worth your time and packed with ideas to use in your classroom throughout the school year. I go to conferences myself and I KNOW what teachers like to get out of a day!

I will share with you how to start from day one to insure that you will have **independent writers** this year. I will also share with you how I work one-on-one with my students and use **class traveling books** to keep my kindergartners writing all year long. I will give you **ALL of the student pages and covers** for **ALL of the class traveling books** I have created and used throughout the year. You will also have time to make the covers for these books so that you are all set for your year. I will give each of you a folder packed with ideas and “white copies!”

I will also demonstrate for you how I use Microsoft’s “**Photostory 3**” program to make **digital class books**. I play these “stories” for my students and their parents during conferences, our Mother’s Day Tea, our Graduation Celebration, and more. I will share some of my favorite digital stories with you and even have friends of mine available to help you if you would like one-on-one support learning how to use this program during our “make and take time.”

Please plan to bring the following materials with you:

- 9”x12” colored construction paper...bring multiple colors-at least 8 sheets of each color
- Scissors, pencils, gluesticks, marker
- **Tagboard** on which to trace shapes
- **Optional:** A laptop computer
- Prior to coming, download Microsoft’s **FREE “Photostory 3”** program to your computer
- Have a file of photos either on your desktop or on a jump drive to use (they can be pictures from your summer vacation, your family, or whatever!)
